

The Lessons

are taught by highly qualified and experienced teachers who - apart from the mandatory university education - have a special university qualification for German as a Foreign Language. We believe in an intercultural and communicative approach to teaching. Recent scientific findings serve as a guideline for us. But our approach to teaching is based on the aims and needs of our students.

TestDaF - Test Deutsch als Fremdsprache / Test of German as a Foreign Language - is a language test suitable for learners of German at a high level of language proficiency (B2/C1). The TestDaF provides the generally accepted proof of the language skills required for admission to any German university. The TestDaF measures several levels of language performance: TDN (TestDaF Niveaustufen) 3, 4 and 5. Candidates fulfil the linguistic requirements for admission to any German university if they score TDN 4 in all four subtests. SPRACHFORUM HEINRICH HEINE is a licensed institute for TestDaF.
